

## HARMONY INFORMATION

It is extremely important that your Harmony information is up to date so you can be contacted in the event of school closings or delays.

Please go to North Putnam School Corporation homepage, [www.nputnam.k12.in.us](http://www.nputnam.k12.in.us), to find a link for your Harmony portal. Once there, you will need to log in and double check to make certain your information is accurate. It is vitally important that this information is updated and accurate. Not only is this contact information used to alert you to delays and cancellations, but it is also used if your student is involved in an emergency situation. Your Harmony portal will be used throughout the school year for newsletters, reminders and other important information. In addition, the information you provide in harmony also appears in our school transportation database.

Please take a few minutes of your time today and update your Harmony information. We want to help you and your student(s) have a great, safe and informed school year! Please contact your building secretary if you are having any difficulties updating your information!
