S. Evens was one of the many students who made up NP's music department this year.

The NP High School Chorus worked hard throughout the year at bringing songs to our convocations.

N.P.'S Music Department

The Music Department of NPHS was an important area this year. The vocal department was very active this year. The High School Mixed Chorus earned a Division I at contest, and also performed at convocations. The Girls' Glee Club performed at convocations also and was quite active at contest. Formed from the Mixed Chorus was the North Putnam Swing Choir which performed various times throughout the year.

The Music Department did much to promote the NPHS reputation by marching at football games and in the Crawfordsville Parade. Concerts were given throughout the year with large crowds attending. Formed from the instrumental department were the Stage Band, Pep Band, and the orchestra for the spring musical.
