PEP BAND, STAGE BAND

North Putnam swings in time

Pep band members had the privilege of getting out of an extra five minutes of their last period classes before pep sessions. This group provided all the music for pep sessions. Their music gave not only pep but a whole lot of spirit.

Another of their privileges was free admission to four or five basketball games last winter, for which they provided entertainment between games and at halftime of the varsity games. Mr. Wilson was in charge of the pep band. Some songs they played were "Aquarius" and "Hawaii Five-O".

The stage band, directed by Mr. Gjesvold, was another group to play at basketball games. They played mostly upbeat pop tunes and were good enough to be asked to play at a dance after one of the basketball games. The orchestra for "The Music Man" was composed basically of stage band members.

This year Mr. Gjesvold directed Stage Band members: ROW 1: Bruce Sutherlin, Doug White, Bob Hedge, Harold Risk, Dennis Robbins, and Mike White. ROW 2: Carol Hostetter, Diane Evans, Toni Etcheson, Terri Stafford, Suzanne English, Pam Barton, Donetta Ardelean, and Marilynne Clodfelter. ROW 3: Kirk Miller, David Frazee, Steve Clodfelter and Roy Zenor.
