## Proud to be a Cougar!

The purpose of the Pep Club was to promote school spirit and good sportsmanship within the school at its sports activities.

Pep Club members participated in school sports activities by cheering and rallying our athletes on to inevitable victory over competitors from other schools. Anyone in Pep Club had to participate regularly at school games and refrain from any sort of non-sportsmanship.

It took several tries to get the Pep Club really organized, but by Sectional and Regional we had a terrific Pep Club of both boys and girls.

Everyone will be "rip-roarin' to go" at the first football game next fall!

The Cougar boosters cheered at the pep-session as the cheerleaders "did their thing" and the basketball team sat back and watched.
