

Mr. Bonar is seen here helping eighth-grader Steve Bock out of a tough spot.

Chess Club 18th in State

The purpose of the Chess Club was to teach young people the skills necessary to improve their game. Students who did not know how to play the ROYAL game could learn.

Students had the chance to compete in inter-school and intraschool tournaments. In 1970-71 regular meets scheduled with other schools is a distinct possibility.

Students who made the varsity chess team also participated in the Indiana State Chess Tournament.

The North Putnam Chess Club placed eighteenth in the state chess tournament. North Putnam was one of the smallest schools to gain such a high placing.

This year's state chess team was comprised of David Ardelean, senior; Melvin Littrell, senior; Steve Miller, senior; and Kirk Miller, sophomore. Congratulations, boys!

The outstanding Chess Club consisted of:
FRONT ROW: L. to R.: Roy Zenor, David Ardelean, Mike Reed, Kirk Miller, ROW

TWO: Dennis Hatfield, Steve Miller, Mike Clodfelter, Melvin Littrell, Mr. Bonor, sponsor; Scot Evans.
