Wrestling

One of the new sports introduced to North Putnam this year was wrestling. Wrestling is a tedious, vigorous, and exacting sport.

Coached by Mr. Don Hymer, our team wrestled on an intramural basis.

Our first year was mainly a learning and building period for future years. There were fifteen boys on the wrestling team, and while learning the rules and regulations of wrestling, all were coached and helped individually by Mr. Hymer. Next year we will wrestle on a B-team schedule with local schools. In two years, we will wrestle on a varsity basis, with the teams in our conference.
