

The intramural program included a very competitive basketball schedule. The 1970 intramural basketball champions consisted of (FRONT ROW) F.

Bunn, R. Thornburg, D. Berry, C. Harvey. BACK ROW included H. Risk, M. Clodfelter, R. Dozier, and M. Proctor.

## INTRAMURALS

### Team effort

Whether you wanted to wrestle or play basketball, an intramural program was established to encourage all those willing athletes to compete against their classmates.

It didn't make any difference if you were a "Zonker" or a "Jet," the competitors were out to enjoy sports as participants, not as spectators.

The "Super Jocks" won first place in the intramural basketball contest.

Mr. Hymer coached the wrestling team. This year the wrestlers played on an intramural basis, but next year they will play against other schools.

A "workout" often proved to be physically stimulating, but often tended to be thoroughly tiring during gym class.
