

Agricultural instructor Harold Doremire taught a night class for adults interested in welding.

Gary Reeves, Darrell Goode and Dave Lawler played in the FFA German band.

We learned the science of farming.

Agriculture was not just limited to junior and senior high students at North Putnam this year. Adult education classes in agriculture and welding were taught also by Mr. Doremire.

Jerry Vaughn placed fifth out of thirty-six contestants in the National Public Speaking Contest. He also won district and state speaking contests.

Junior high students received the opportunity of learning new farming methods from planting to harvesting a crop.

Mr. Doremire
