

Chess Club members were (SITTING) Frank Kays, (l. to r.) Jim Lambermont, Kirk Miller, Terry Tippin, Craig Miller, sponsor Mr. Bonar, Steve Boch, and David Frazee.

We checkmated our opponents.

Sponsored by Mr. Bonar, the North Putnam boys enjoyed the gentleman's "brain" game--chess. The students spent much of their free time after school learning the rules of chess and the art of strategy.

The Chess Club scheduled several meets. They defeated Greencastle.

Again this year the team entered the state chess tournament at Indianapolis.

Karen Steele made a lay-up shot for North Putnam in the Greencastle basketball game.
