GAA NEWS
 Since the last issue of the paper the GAA have participated in many activities.
 On Nov. 14 six girls and Mrs. Cox traveled to Lafayette to participate in a badminton tourney. Due to lack of experience the girls didn't do the best, but they did learn a lot.
 The following Saturday 12 girls went to Green-castle to play in a volleyball Playday. There were two teams, a Varsity and B-team. The varsity team won all of their games except the last one where they lost by only 2 points.
 Morning practices for basketball are now going full blast and the girls are learning a lot from their coaches Mrs. Cox and Steve Max Glodwiler.

LATEX NEWS ANNUS
 On Dec. 17 from 3:35 to 5:00 there will be a merry Christmas celebrated by the Modern Romans or as they are more commonly called the members of J.L.L. Refreshments will be served, gifts exchanged, and skits will be presented by the members. It promises to be a fun time for all.

Everyone always looks forward to any career, and that is the first one you've ever attended on the twenty-second one. This especially refers to a Christmas Dance with the mistletoe hanging from the ceiling and a Christmas tree in the center of the floor to dance around.
 This year the student council is once again sponsoring our Christmas Dance Dec. 21 in the Cafeteria from 8:00-11:00. Music will be provided by Steve Harris's Band, so all you guys invite some sweetie you've been wanting to old close for a long time.
 Also classes will be selecting candidates for a King and Queen to reign over the dance. They will be elected and crowned at the ball.
 Dress will be formal semi-formal for girls.
 Tickets are being sold at the book store for \$1.00 Stag, \$1.50 Drag.

JUNIOR AND SENIOR LIFESAVING

Junior and Senior Lifesaving has once again begun its sessions. The Senior Lifesavers must be 15 years of age, be able to swim 25 lengths of the pool, swim underwater all the way across the pool, and surface five for 3 feet.

Kenny Carrington was caught by our roving camera.

Members of the Journalism Club were (l. to r.) Gail Walsh, Carolyn Davis, Rita Proctor, Patty Sims, and Teri Shonkwiler. They did the newspaper.

Turn in all layouts and copy!

"Through rain, sleet, hail, or snow through the mail our yearbook HAD to go!"
 Through frustration, anguish, and hectic confusion, deadlines had to be met, so the yearbook copy would be sent on time to the Hannibal, Missouri, plant to be printed.
 This year we initiated the use of graphic effects and color in Showcase. Collages, drawings, and crossword puzzles attempted to modernize the image of North Putnam's annual.
 COUGAR EXPRESS, the student newspaper, suffered a bit this year, because there was no journalism class. Students were on their own to get the paper out.
 Hopefully during summer vacation presses would be cleaned, and minds would think of new ideas to improve efforts next year.
