We stole the ball,

We intercepted it.

The seventh and eighth grade basketball teams under the supervision and instructions of Mr. Gibson and Mr. Shahan battled valorously against their opponents during the 1970 season.

Although their season did not include a majority of victories, the teams always managed to display a high degree of sportsmanship, no matter what the odds.

The junior high team also acquired many valuable hours of practice and advice from their coaches. This shall prove their worth in the future as the junior high becomes the varsity. Diligent practice always comes out ahead in the making of star basketball players.
