

Mary Elizabeth Haulk, a member of the Class of 1973, was killed as the result of an automobile accident on January 13, 1973.

Her activities were: Future Homemakers Association 1, 2, 3 Chorus 1, 2, 3 Pep Club 1, 2, 3, 4.

Teachers recall her cooperativeness and courtesy in class. The Seniors remember Mary for her friendliness, her sense of humor, and her school spirit and class loyalty. She is sadly missed. For this reason the Yearbook Staff would like to dedicate this edition to her.

IN MEMORY OF MARY HAULK

Everything looks so muddy;
Ever since we lost our buddy.
January, eighteenth on that date,
Mary Haulk went through that great gate.
It's a matter of time
Before we can call her with a dime.
Always, always would she care;
Never would she pass a dare.
Even though it's hard to bare
God, PLEASE tell MARY we still care.
Maybe it will be a while before we get up there,
But we know she will wait on us and not go anywhere.
Even though no one else will ever know,
We feel her with us wherever we go.
Oh God, Tell Mary to wait by the gate
Remember Mary you'll always rate.

Sadly missed by friends
