

THE WAY WE WERE IN '74

SENIORS

Senior sponsors, Mr. Blubaum and Mr. Ulm worked hard to help us reach our goals.

As freshmen we thought graduation was centuries away. During these years, we have grown and matured in many directions. Many things have occurred, some of which have been beautiful and made us happy and others which have been trying and made us sad.

Nevertheless, we have memories of these good times, and bad times, our friends, and our teachers.

The year is over and we head toward an open road, seeking the good things in life.

So now we go in happiness and may we find peace along the way.

Enjoy the world!

Class Officers: Doug Perry—Vice President; Martha Page—President; LaDonna Chittenden—Secretary; and Lu Gibson—Treasurer.
