

## DREAMS IN THE DUSK

Dreams in the dusk,  
Only dreams closing the day  
And with the day's close going back  
To the gray things, the dark things,  
The far, deep things of dreamland.

Dreams, only dreams in the dusk,  
Only the old remembered pictures  
Of lost days when the day's loss  
Wrote in tears the heart's loss.

Tears and loss and broken dreams  
May find your heart at dusk.
