

This Time

WE PUT IT ALL TOGETHER

During the 1973-74 year, the GAA had over 75 girls participating in softball, bowling, volleyball, basketball, and track.

The enthusiasm ran high all season—the softball team didn't play enough scheduled games to count, but the volleyball team came on strong—playing a full twelve game schedule.

Bowling may not have been our outstanding "thing" but what fun we had trying to get a strike!

The basketball girls took their turn at the helm and had an outstanding season. Surprisingly enough, the fans seemed to have enjoyed it too. The Cougarettes won their own tourney in which they hosted Ben Davis, Cloverdale, and Southmont.

The track girls ended the season by setting a new trend—it was the first time ever the girl's team had won a meet in the history of North Putnam.

By accumulating 350 or more points in GAA from Freshman through Senior year, Kenda Adams, Ronda Alexander, Audrey Boruff, Becky Brothers, Jo Clodfelter, Shelly Green, Loretta Miles, and Cathy Proctor received State GAA Placques for their achievements.

Seniors receiving varsity letter sweaters were Ronda Alexander, Audrey Boruff, Becky Brothers, and Jo Clodfelter.
