

GOLF CONQUERS CONFERENCE

This year's golf team set three goals for themselves: to win the county meet, win the conference meet and go to the regional. They attained all of these goals, while establishing a golfing reputation not to be scoffed at.

North Putnam's golf team dominated the county meet placing Steve Bullerdick at the top with medalist honors, and Sonny Roe and Mike Bullerdick tied for second. The conference meet went the same way with Mike Greene taking medalist and Sonny Roe tying up second. This made the golfers the first North Putnam team to solely claim a conference championship.

The golfers continued to win, dropping only 7 meets all year. One of these losses was a 3 stroke difference with the Southmont Mounties, but the Cougars came back to avenge the loss later in the season with a 6 point victory. Our linksters were also given the slip by a highly regarded Brazil team. The Cougars played their best game of the season against the Red Devils, but still came up 5 strokes short.

When June 2 arrived the team went to Lebanon for the sectional. They did their best and ended up second over all. The '75 Golf Team was the first in the school's history to advance to regional play. The linksters also set the best school record at 23-7.
