The Varsity Football record was 5-5. The final standings found the Cougars second in the County and third in the WCC. This accomplishment is great considering that 22 seniors were lost from 1974's 8-2 team. Thus, the team was inexperienced but nevertheless made a good showing. During the season 10 lettermen missed game time due to injuries.

Seven Cougar players were elected to the WCC team. Those gridgers with WCC election and school records included Mike Bullerdick with a passing record of 1343 yards. Ron Brothers received the most passes while Jim Brothers caught the most passes for touchdowns. Raymond Haulk was just short of 1000 yards gained, and Bud Page scored 225 defensive points and was also selected MVP. Also on the WCC team were David Tippin and Kelly Sanders. Trey Etcheson received Honorable Mention on the WCC team.

Ron Brothers' powerful kickoffs opened the way to many Cougar victories.
