

Varsity cheerleaders are (top to bottom) Robin McBride, Vicki Pipes, Denise Gibson, and Penny Allen.

The girls had a very grueling year. After the regular season of yelling, they doubled their efforts to cheer the Cougars on to the Sectional and Regional.

Many hours were spent in preparing posters, decorating halls, learning new routines and mounts, and teaching the Pep Block new cheers and motions to go with the mittens. A lot of time went into preparing for pep sessions and a special rally when the team went to Lebanon.

The Varsity cheerleaders work closely with the B-Team cheerleaders. Both squads combined their efforts to make the yells a little more spectacular for the Cougar Boosters and fans to watch. They always managed to come up with something different and more daring every time.

Win or lose, the Cougar cheerleaders can be counted on to say we are P-R-O-U-D to be a Cougar.

On a downbeat from Mr. Wilson and the Pep Band, the girls led the fans in singing, "Hail, North Putnam, hats off to thee."
