

# 7th Grade Gains Experience

A slow start, lack of size, and "The Blizzard of 78" describe the 7th grade basketball season.

The five starters for the "A" Team were T. Strader, S. Bullerdick, J. Copner, D. Nelson, and B. Hartman. Their "A" Team record was 1-8, winning over Monrovia.

One of the big highlights of the season was the contest with Pittsboro, where the team as a whole played its best game of the season. Exceptional performers were T. Strader and S. Bullerdick.

The "B" Team record was 1-3, with its win over a tough Brazil team. B. Goff contributed 8 points toward the Cougar victory.

J. Copner scrabbles for the ball as the Cougars lose under the hands of Cascade.
