

Projects Halted By Snow

The Art Club had planned to paint a large mural on the bottom of the swimming pool, but was unable to because of snow days. The project will be continued in the near future.

The Math Club took a field trip to an electrical supply company in Tangier, Indiana to see how the electricity is manufactured and to try to understand some of the problems during the energy crisis.

Math Club: Row 1; J. Kelly (V. Pres.) T. Heckel (Treas.); Row 2; L. Porter (Pres.), D. Sinnet (Sec.), Mr. Myers (Spon.).

Art Club: Row 1; D. Baire (Pres.), G. Reed (V. Pres.), Row 2; D. Short (Sec.), P. Reasor (Treas.), Mrs. Gjesvold (Spon.).
