

# GRP, Tennis Provide Recreation

Front: S. O'Hair (Pres.), K. McBride (Sec.), K. Greene (Treas.). Back: Mrs. Patrick (Spon.), V. Harpold (V. Pres.).

The GRP is a new organization this year and takes the place of GAA. It is designed to stimulate the involvement of girls not specifically participating in a school-sponsored competitive sport. Its major purpose is to provide activities outside of the school realm. It is open to all girls in grades 9-12. The activities of GRP include bowling, roller skating, miniature golfing, and an annual canoe trip. This year, however, the weather has restricted the activities to a minimum.

Winners of last year's Tennis Club tournament were: T. McBride, M. Davis. Seated: T. Adams, P. Page, M. Tyler, R. McGaughey.
