

Varsity Headed By New Coach

Throughout the season, the Cougars showed much skill in their ball handling. Coach Thompson and team proved to have the right chemistry for a well-balanced ball club. There were only three seniors on the 1977-78 basketball team, Marty Harpold, named the county tourney's best player, Mike O'Hair, named WCC-All Sectional team and Bruce Fowler. The overall record for the season was 10-11. Though the Cougars did not have a winning year, Coach Thompson felt the boys improved as the season continued. The team was respected by cheerleaders, fans and other schools throughout the county.
