The North Putnam Junior Varsity basketball team finished its season with a very fine record of 16 wins and 4 losses. The average loss for the four games was 5 points, with the largest defeat handed down by Terre Haute South, 37 to 44. Losing by only that point spread was an accomplishment in itself. One major accomplishment of this team was winning the County Tourney for the second year in a row by defeating Greencastle and Cloverdale. This group of players has earned recognition as being one of the best Junior Varsity teams the school has ever had. With hard work and dedication these players will help make the future of Cougar basketball very bright.
