

'Depreciation' Wins Spelling Bee For Brian Hartman

Participants in the spelling bee included (L to R) B. Zeffel, L. Hartman, K. Bryan, G. Bryan, G. Ensor, M. Zeffel, T. Harpel, T. McFarland, S. Siner, B. Hartman, and J. Grider.

Eighth grader Brian Hartman won this year's spelling bee award. After a long battle of words, Hartman prevailed over seventh grader Kathy Bryan by spelling the word *depreciation* correctly. Kathy was named alternate, and Brian became North Putnam's Spelling Bee winner.

This year's Junior-High Historical Club members elected (L to R) D. Clifford—(V.-Pres.), S. Switzer—(Sec.-Treas.), and B. Hartman—(Pres.). Although the club had many things planned, bad weather prevented the activities. Mr. Cook aided the members in the learning of the history which surrounded them.
