In the last few years the choral department has grown to bigger and better things. This year at district contest at Greencastle, students brought home: Seven-1st place finishes; three-2nd places; and one-3rd place in solo. Out of the five ensemble groups that went, four received 1st place finishes, as well as one-2nd.

Two new singing ensembles were formed this year; Rainbows, and New Horizons. These groups have done several performances for many social groups.

In addition to these ensembles, the Concert Choir has done many concerts including Fall, Christmas, and Spring concerts. The group also sang at the Central National Bank in Greencastle, and at the Variety Show.

The Concert Choir has three officers: Myrna Clodfelter (pres.), Dena Hutcheson (sec.), and Sherri Keyt (mus. Lib.).
