Mark lights his torch of knowledge.

The National Honor Society was very productive this year. Funds were continually being added to its treasury as a result of the morning milk and donut sales and the afternoon sale of snacks. At the annual initiation of new members, the Honor Society was proud to present Miss Jill Smith as its guest speaker. Her speech inspired all to "Climb Every Mountain" and strive to reach every goal they set for themselves. Seniors Elaine Oney, Beth Henon, Lora Summers, and Lisa Sutherlin gave speeches on character, leadership, scholarship, and service. This year's National Honor Society represented North Putnam proudly.
