

K. Greene anticipates a pass from R. Clodfelter.

R. Pickel shows her playmaking ability.

The Girls' Basketball teams put in an extra amount of effort this year. The Seniors helped pull the team together and they will be greatly missed. The B-team looks hopeful to help the team next year. Shar George received the MVP while Jenny Storm captured the Mental Attitude award. S. George also made the WCC team and R. Jeffries and George were voted to the All-County team. The girls really enjoyed playing for their coaches this year. Team work was a big factor for the teams.
