

# Prayer Breakfast Meets 7:30 A.M. Wednesdays

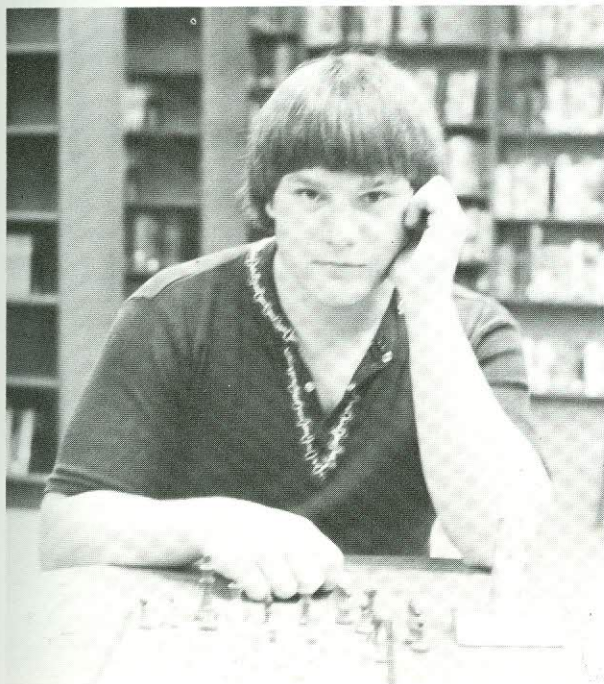

Small group prayers were a vital part of Wednesday morning meetings, followed by eating and sharing, in preparation for the day of classes.

Early risers on Wednesday mornings were fed spiritually, as well as physically, in the home ec living room at prayer breakfast. Fellowship began with group singing. Guest speakers shared Bible verses and testimonies. Small groups formed for special sharing and prayer. Then, breakfast of rolls, doughnuts, orange juice, and milk fortified everyone for a day of classes. A special closeness seemed to develop as Christians shared their love and concern for others and the need for letting "their lights shine" for Christ.

Prayer breakfast officers were senior Karen Roberts, junior Becky Wedemeyer, sophomore Tricia Hetrick, and freshman Vicki Smith.
