Another important part of the music department is the stage band. The Stage Band performs the contemporary jazz music of today as well as some of the favorites of yesteryear. Because of the difficulty of the music, the stage band personnel are personally chosen by Mr. David Gjesvold.

An evening of dinner and dance was sponsored by the stage band on Jan 5. The meal, catered by MCL was not just an ordinary meal. It consisted of many fine delicacies and featured a salad bar. Following the meal the band played dance music and then performed a concert.
