The North Putnam Wrestling team completed a building year, finishing the season 1-10. "Everyone worked hard and everyone gave his best. The wrestlers came away with experience and a winning outlook for the future," commented first year coach Tom Roach.

The senior co-captains Mike Joyce, Mental Attitude Winner, and Brent Clark, Most Valuable Wrestler, provided team leadership as well as a lot of fine wrestling.

Assistant coach John Schilling contributed wrestling know how and solid leadership to the team. The Mat Maids added spirit, and managers Chris Knauer and Steve Harris kept the team organized.

D. Winnings shows ability that enabled him to qualify for Regional.

"I'll be out of this in just a second."
