If A Man Answers, directed by Diane Ingram, was the story of how Chantal Stacy's mother gives her a dog-training manual as the secret recipe for making a husband happy. "You must treat him like a dog," she warns. Chantal does fine until the arrival of her friend, Tina, from Boston who promptly tips Chantal's husband. Fireworks follow, but Chantal and her Maman turn out to be a match for anyone.

One of the models (T. Cope) asks the advice of a French woman (P. Evens) who tries to help but ends up being totally confused.

Chantal's father (J. Holland) was quite shocked to find his daughter (N. Van Vector) in a negligee posing for the photographer (A. Chilcote).
