

The Cougar offense goes into action.

First Down!

In what many expected to be a rebuilding year, Coach Gene Roe's Cougars posted an impressive 7-3 record. Scrappy, tenacious defense, a potent offense and a determined, winning attitude enabled the Cougars to repeatedly stay in ballgames and come out on top in most of them. Several individuals won honors too, as Marty Edwards and Mark Bryan were named All-Conference and Hank Lawson was named to the BHT and AP All-State teams.
