

# Varsity Cheerleaders Explode With Spirit

When you think of the Varsity Cheerleaders this year, the first thing that comes to mind is; when the going gets rough the tough get going. When the teams and crowds got down, the Varsity put out more spirit than ever. The Varsity and J.V. cheerleaders spent many hours practicing, decorating, baking cookies for the teams, and preparing for very successful pep sessions.

Senior cheerleaders were recognized on Senior Night.
