

Young Cougars Improve

1982 was a rebuilding year for first year head Coach John Russell. The Cougars improved greatly as the season progressed and finished 3-7. Seniors Todd Strader (Academic All-Stater) and Danny Nelson were the team Captains. Coach Russell has reason to be optimistic as he will see the return of All-State punter, Tim Blocher, as well as defensive standouts Matt Griswold, Doug Leatherman and Craig Asher and several other fine young players.
