

C'mon Jannetta, set me up a winner!!!!

Lisa and Kelly proudly display trophies at the awards banquet. MVP and Mental attitude awards for volleyball were presented to the two.

The volleyball season comes and goes as does any sport at NPHS. The spikers ended the season happily. Out go the seniors and the junior high girls are ready to replace any hopeful desires for continuing the winning streak. The goals are set high and the fans are anxiously awaiting the 84-85 season. Good Luck Spikers!

Lisa Hartman, Kelly Beck and manager Francy English will not be returning due to graduation. The Spikers are looking forward to next year after completing this year with the best overall record yet.
