UP WHERE WE BELONG

"Up Where We Belong"

Competition broadens our educated minds. In life we struggle to achieve perfection. Optimism creates success. At North Putnam we students compete academically, athletically and sometimes even spiritually. We are proud of our school and of what we stand for. We are not down and out, we do not look for failure instead we hold our standards as high as our heads—We truly feel we are "Up Where We Belong."
