

NINTH!!

Class officers!!

Pres.—Jolie Martin, V. Pres—Marcy Boller,
Sec.—Jennifer Judy, Treas.—Alison Phipps

Frosh survived first year of high school ...
The year 1986 was when the exciting time came for the freshmen, because they finally reached their first year of high school.

How did the freshman survive their first year? To help things out we established a dress code on a trial basis, convocations were held and we even had a pep session that help defeat Greencastle at the sectionals.

Now the question is, can they survive the remaining years?
