

COUGAR TEAMWORK

Though the Cougar football teams didn't win every game they played, their dedication was obvious. The hard work and determination of the players and the coaches was to be respected. The thrill of being involved in high school athletics will be remembered by each player forever.

Mr. Lake and the team reflect on the season at the fall athletic banquet.

The Cougar football coaches.

The J.V. and freshman players combined to play a few C-team games along with waiting on the sidelines during varsity games.
