

# TAKE MY BREATH AWAY

Prom 1988

*The 1988 Prom theme chosen by the Juniors was "Take My Breath Away." When you entered it was as if you were entering a fantasy land. One of the memorable moments was the crowning of the Queen, Angela Staley and the King, Mike Smith (top left). The Royal Court was (l. to R.) Mark Hoke, Tiffany Sharp, Jody Marsteller, and Charlie Marcum. It was indeed a night to remember.*
