One of the largest clubs by enrollment is the Spanish Club. Some of the activities that are enjoyed by members are trips to Chi Chi's, Christmas parties, a T-shirt drawing contest, members compete in academic contests, and attend concerts when allowed. The Club even tries to plan a trip to Spain when permissible. Mrs. Gottschalk has always sponsored the club. Tisha Warren, senior member enjoys being a part of the club. She regrets that the club has such few liberties. Scott Spencer is active in the club and has tried to work on a mural that the club wants in their classroom. Other members agree that they do have fun in the club.

The Thespians ended their outstanding season with the annual spring musical. This year's musical is "Anything Goes," starring Missy Ensor, Danny Maish, Tod Ulrey, Julia Stockwell, Kevin Ausman, Rachel Curran, Justin Galford, Shelly Stokes and a cast of thousands. The play was a success, although Julia Stockwell became ill and could not perform on the second night. The play was saved by Judi Huter, our Journalism teacher, who made a fine replacement.
