

Mr. Bill Schad—Principal. "My prerogative in education is to teach students to be responsible and the older they get the more responsible they should be. Students should be self-disciplined enough to control their own behavior so the school officials shouldn't have to."

Dr. Thomas Rohr
Superintendent.

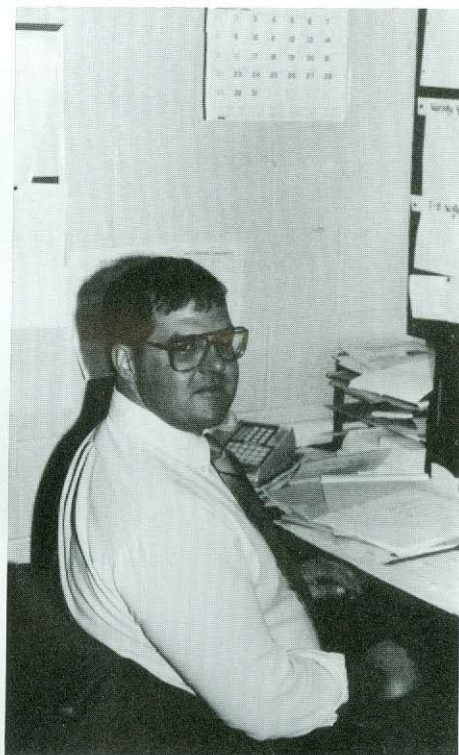

Mr. Don DeBoer—Assistant Principal, "My prerogative in education is to teach students that you can overcome any problems if you work hard enough and look up instead of back and be the best that you can be."

Mr. Jim Aydelotte—Guidance, "My prerogative in education is to help students make an informed decision and help students believe in themselves."

Mrs. Kay Greeson—Guidance, "My prerogative in education is to improve study habits and encourage post secondary education."

Mr. Rick Malone—Athletic Director. "My prerogative in education is to teach the students to never give up."
