This year the baseball team had a tough season even though they worked hard. The team did improve as the season progressed. The 88 and 89 coaches were: Mr. Andy Maier and Mr. Bill Chestnut. Both have been coaches for two years. When asked, "IN one word how would you describe the team?" Coach Chestnut responded "Competitive," and coach Maier stated "Improving." The attitude of the team is very positive. Coach Maier said, "that the kids want to win." When asking a senior player what his biggest high was, Casey Lashley responded, "the lead against Greencastle and pitching against North Montgomery."
