The Cross Country team had another great year under the watchful eye of Coach Tom Roach. Mr. Roach who has coached for 6 years was very pleased with this years effort. He believes the team has great potential if the younger members stick with it. Coach Roach was also pleased with the girls team. He said they had a great effort but lacked in depth severely. Roach also praised Russ Evans who was his first two-time all conference member. Russ placed 12th this year at sectionals.
