This years Girls Varsity Swim team was full of fun memories and good times. Like the sleepover in the library, all the away meets, and let's not forget all those wonderful morning swim practices. This season was also a record breaking season. Wendy Martin broke the 200 Freestyle with a time of 2:20.86, the 100 Freestyle with a time of 1:04.58, and swam the first leg of the Free relay. Which set a new record with a time of 4:36.18. The other three members of the Free relay are Shelly Riggen, Tami Evans, and Jennifer Carmichael. Shannon Smeelink also set a record in diving with a score of 171.05. The girls put in a lot of hard work this season and, in return had a lot of personal, as well as, team success. A special thanks to Coach Kim Smith for all the good times and, of course, all the great coaching.

"Sleepy, don't be ridiculous."

"The morning after."

Could it be helium?
