When asked why they went out for the volleyball team Amber, Amie, and Lisa all said because the sport is great. Jill said it was because it sounded like fun. All four of the girls, Amber, Amie, Lisa, and Jill have been on the volleyball team since the seventh grade. They all tried hard to come up with their best memory of being on the team. Here is what they came up with. Jill—"Winning the county championship my freshman and sophomore years."

Lisa—"Winning the county championship against Greencastle in the finals." Amie—"Beating Greencastle in the county finals."

Amber—"Winning the J.V. county tourney and beating Greencastle."
