The highlight of the year for FFA members was competing in various judging contests throughout the nation.

The North Putnam FFA chapter won the team competition in the Eastern National Judging Contest held in Richmond, Virginia. After the team's trip, members were welcomed to school on Monday with signs reading, "National Champions" and "Congratulations FFA." North Putnam also attended the state and national conventions held in Lafayette and Kansas City, Kansas, respectively.

Other FFA events during the year included a car wash, dance, slave auction, and selling concessions at sporting events.

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship. North Putnam's FFA pursued this goal under the leadership of Mr. Maier, and officers Jana Bowling, President; Dan Fry, Vice-President; Andy Wilson, Reporter; Amy Cruz, Secretary; Joy Albin, Treasurer; Sam Fry, Sentinel; and Missy Schoolcraft, Student Advisor. Altogether there were 45 members in FFA during the 1989-90 school year.
