The North Putnam Lady Spikers had their season of firsts. The Lady Spikers' record of 17-5 was the most outstanding season ever in the school's history. The WCC record was 7-2, enough to give them a four-way tie for first. The Lady Spikers began sectional play with a win over S. Putnam and captured the sectional title by defeating Greencastle. The team then went to West Vigo in the regional round and beat N. Vermillion. However, in the championship game, North Putnam fell to Terre Haute South. Mr. Price said, "This team overcame its downfall of quickness, height, and overall athletic ability. They're a special team."
