Throughout the year, the Cougars dealt with much adversity, but managed to come out with what will be looked on as a moderately successful season. Although the team was only 4-7, vast improvements were shown from over the past few years. The Cougars won and lost a few close games.

They opened the season losing five straight games. Then came the turning point in the season when the team traveled to Cascade and brought home a 15-6 win. North then defeated Cloverdale in a tight contest. County rival Greencastle was the final regular season opponent for the Cougars. It was a close game, but the Cougars came up short 21-16.

Sectionals was next on the agenda. The Cougars drew Turkey Run and came home with a first-ever sectional win 6-0. The Cougars traveled to Cloverdale and won 35-7. In the sectional championship, the Cougars faced the South Putnam Eagles. The Cougars fell short, losing 21-7.

Daniel Johnson and Max Pipes were state-ranked individually throughout most of the year in passing and receiving respectively.
