Jennifer Thompson

Jennifer,

You are our sunshine on a cloudy day,
You are the reason we give thanks when we pray.
We are filled with pride this special May,
You made it babe, it's graduation day.

We love you,
Mom and Dad

Jeni,

My best friend, my lover, the one who will have my all-
American kids. * * * * And soon to be my wife.

I Love
You!
Maxwell
