When I signed up for journalism, I had no knowledge in this area. Now, I'm leaving, ready to double major in journalism in college. This yearbook could not have been completed without the teaching and guidance of our adviser, Mr. Goshert. So, first of all, I wish to thank him for all of the help throughout the year. In addition, I want to thank the yearbook staff. These people worked better under pressure than any other group I've known before. Last, but not least, I have to thank the North Putnam students and staff. This yearbook was made for all of you, but it could not have been done without you.

I was very glad to have the chance to be editor-in-chief of the yearbook. It was a fun challenge that I proudly leave for next year's editor — good luck, you'll need it!
